**National Security Minister requests report on Palisadoes Road debacle
from Police Commissioner**

Minister of National security Hon. Robert Montague has asked Police Commissioner George Quallo, to provide him by this afternoon, a report on the circumstances surrounding last evening's activities which resulted in a traffic pileup on the Palisadoes Road leading to the Norman Manley International Airport.

Minister Montague said the repercussions are yet to be tabulated, noting that flights were delayed and passengers missed their flights.

He has asked the Police Commissioner to:

- outline the conditions surrounding the issuing of the permit;
- the policing plan that was put in place for the event, and,
- the steps that will be taken to hold someone accountable.

Minister Montague is apologizing for the inconvenience suffered, and says the report will be made public.
