### **National Security Ministry receives J\$42-million performance bond payment**

The Ministry of National Security has received payment of the Performance Bond from the insurer on behalf of O'Briens International Car Sales and Rental Limited.

The Performance Bond is in the amount of Forty-Two Million, Seven Hundred Dollars (J\$42,700,000.00) which represents ten percent of the contracted amount.

The Ministry of National Security continues to protect the taxpayers of Jamaica.

Last year, the Ministry provided 430 vehicles to the Jamaica Constabulary Force, increasing its mobility with both new and pre-owned vehicles.

In addition, 114 vehicles which had been out of service from 2012 were repaired under a special project.

With the acquisition of the vehicles, none of the 190 stations across Jamaica should be without at least one police vehicle today.

The Ministry of National Security continues to do its part by purchasing vehicles for the Jamaica Constabulary Force in an effort to boost mobility and effective response. However, the assignment of these vehicles is done by the Police Commissioner.
