Ministry of National Security condemns murder of Constable Nicaldo Green

The Minister of National Security, Hon. Robert Montague has strongly condemned the killing of Constable Nicaldo Green.

The Minister, who is away on official duties, has expressed deepest condolences to the immediate family, colleagues, and friends of Constable Green, who was attached to the Stadium Police Station in St. Andrew.

Minister Montague reiterated the Ministry's commitment to equipping the police with the necessary infrastructural and technological tools to assist in the fight against crime. ***“The Police Force will not be daunted by dastardly acts such as these. Each day these men and women place their lives on the line and they remain strong, resolute and ready to serve. We are committed to continuing to provide them with the tools necessary to be more efficient and effective. It is my hope that we will no longer sit in silence as the people charged with our protection are attacked. Our silence emboldens the criminals. If you see something or know something then say something,”*** Minister Montague urged.

The public may provide information using the Stay Alert App, easily downloaded from the Google Play or Apple Store or by writing what they

know, placing it in an envelope, marked with an X and dropping it off at any post office.

The Ministry assures Constable Green's immediate family of its support as they grieve.

During this difficult time, the Ministry of National Security encourages Constable Green's family and friends to take courage in the fact that he served his nation with diligence and pride.
