Tertiary Institutions Still Open For Other Course Offerings

In light of the recently signed Memorandum of Understanding (MOU) between the Ministry of National Security (MNS) and four tertiary training institutions, the Ministry of National Security is assuring members of the public that these institutions continue usual registration for other course offerings.

The institutions that were signatory to the MOU are Moneague College, Montego Bay Community College, Hydel University College and the Catholic College of Mandeville.

The intention is that a special faculty will be designed at these institutions for the training of potential JCF recruits in a certificate course for Fundamentals in Security Science.

The course, which is estimated to cost \$J28-million dollars, is to provide graduates for matriculation, principally into the Jamaica Constabulary Force (JCF) in a bid to increase the training intake capacity of JCF.

The course is slated to begin next month and will last for one semester.
